Fall help

Beth Crowe (right) of Cleveland and Mimi Martinson of Madison reattach the arm of a pine-straw man in the Garden Works display along U.S. 51 in Ridgeland Friday morning. Martinson created the pine straw people over the summer

specifically for the business' fall display, which includes numerous pumpkins of various sizes. Garden Works is open from 8 a.m. to 6 p.m. Monday through Saturday and from 12:30-4:30 p.m. on Sundays.
